

MOORE'S WEALTH MANAGEMENT

"Protecting Your Future"

2011 Advisor of the Year

Scott Moore, founder and senior advisor of Moore's Wealth Management, has been in the financial services industry for over 20 years and has helped hundreds of clients throughout the Southeast United States prepare for retirement and protect their retirement assets. He has a low-risk, safe & secure philosophy toward managing his client's retirement assets while providing a reasonable 5-7% annualized rate of return over 5, 10, 15 or more years. Scott and his two oldest sons relocated their family owned and family run firm from Snellville to Gainesville in 2008 and went on to open a second office in Alpharetta this past year.

Recently, Scott was recognized by one of the top advisor organizations in the nation as the "2011 Advisor of the Year". According to the president and co-founder, Gary Reed, "Scott was chosen for this prestigious honor as the advisor who consistently performed at a level above his peers. He exemplifies the philosophy of always doing what's in the best interest of the client. Scott truly understands and accepts his responsibility for helping his clients to preserve, grow and protect their wealth in today's challenging market."

Scott was a mutual fund broker for almost 17 years before becoming an independent fiduciary advisor 3 years ago. Having been on both sides of the profession, he can quickly analyze a client's retirement portfolio to determine if it was designed for the best interest of the client or the best interest of their financial professional. According to Scott, "Today's retirees, and those about to enter retirement, need more than just a banker, broker and insurance agent. They need someone to be their 'financial quarterback' – someone to help put it all together. We are proud to be that firm and provide those services for the people of north Georgia."
