Moore's Wealth Management Holds 5th Annual Senior Prom

Moore's Wealth Management's Annual Client Appreciation Event, their Senior Prom was held on October 17, 2015 at the Historic Civic Center in Gainesville, Georgia. The theme this year was "The Great Gatsby", which attracted a record attendance of over 250 clients and their guests. Several people enjoyed dancing to tunes of the roaring 20s, performed flawlessly by the band "The Gentlemen of Swing". A key traditional feature of the event was the crowning of the 2015 Moore's Wealth Management King and Queen of Prom, awarded to the client who was responsible for the most referrals to the firm over the last 12 months. The main purpose of the event each year is to show the appreciation for the trust, loyalty and confidence that the growing clientele continue to place in the firm and its advisors.

Scott Moore, founder and Senior Advisor of Moore's Wealth Management, has been in the financial services industry for over 24 years and has developed 100's of clients throughout the Southeast. His approach is to structure a low risk, safe and conservative portfolio with the goal of seeking a reasonable annualized rate of return over 5-10-15 years with high quality tactically managed portfolios. Because of this philosophy, Moore's Wealth Management has seen continued growth and success throughout 2015. Due to tremendous growth in the North Georgia area, Moore's Wealth Management has continued to increase staffing. The family owned firm is growing at a rate of 75-100 clients per year and is expected to continue this growth in 2016.

Scott was a broker with one of the largest investment firms on Wall Street for almost 17 years before becoming an Investment Advisor Representative about 5 years ago. Having been on both sides of the profession, he can quickly analyze a client's retirement portfolio to determine if it was designed for their best interest. As an Investment Advisor Representative, Scott is held to a much higher professional standard than a typical broker. He has been nationally recognized as an "Ed Slott Master Elite IRA Advisor" where there are fewer than 260 members across the nation. Scott was also recognized with the distinguished "Advisor of the Year" award for 2011, 2012 and 2013 from one of the top Independent Advisor organizations in the country.

Scott and his team of Advisors are financial professionals who utilize the latest investment, estate, and beneficiary planning techniques. These techniques help to design and implement personalized strategies that can reduce financial risk, potentially lower taxes, avoid probate, and protect assets from nursing home costs. Scott's offices are located in Alpharetta and Gainesville, Georgia, where Scott and his three sons, Chris, Brian, Kyle and a 5th Investment Advisor Representative, Mark Peterson, enjoy serving others in their growing financial business.

Scott and his wife of 34 years, Carla, have five children ranging in ages from 21 to 33 and six wonderful grandchildren. In his spare time, Scott enjoys spending time with his family as well as restoring classic cars.
